Nuance bathroom wall panelling with BB Complete

Product description

Nuance bathroom wall panels are constructed using high pressure decorative laminates bonded to front and back of synthetic, homogenous, waterproof substrates using waterproof adhesive.

BB Complete is a high performance, single part, moisture curing hybrid adhesive and colour matched sealant. BB Complete must be used to install Nuance bathroom panels.

Face laminate

High pressure decorative laminate to BS:EN:438.

Substrate

10mm synthetic homogenous waterproof material.

Backing laminate

Balanced with white high pressure decorative laminate to BS:EN:438.

Material classification

IN TESTING – PLEASE CONTACT US TO DISCUSS YOUR PROJECT REQUIREMENTS

Designs

A full range of Nuance bathroom panels is available, refer to current brochure.

A full range of matching and complementary worktops and upstands is available, refer to current brochure.

A full range of matching BB Complete adhesives and sealants is available, refer to current brochure.

N.B. Due to the nature of the larger designs, patterns will not marry up between panels or across tongue and groove joints.

Sizes, panel formats and weights (nominal)

2420x1200x11mm postformed panel - postformed one long edge, male T&G on the other
- weight 26.0 kg

2420x1200x11mm tongue and groove panel - one female T&G edge, one male T&G edge
- weight 26.0 kg

2420x600x11mm tongue & groove panel - one female T&G edge one male T&G edge
- weight 13.5 kg

2420x160x11mm finishing panel - postformed one long edge, male T&G on the other
- weight 4.0 kg

2420x580x11mm feature panel - postformed two long edges
- weight 13.0 kg

BB Complete adhesives

BB Complete adhesive must be used to validate the Nuance 15 year guarantee.

BB Complete panel adhesive comes in 290ml cartridges: Use one cartridge per 2400x1200mm panel.

BB Complete colour matched sealant/adhesive is available in 290ml cartridges: one cartridge will provide around 19 linear metres of bead at approximately 4mm diameter. Use colour matched sealant for all seaming and sealing processes following the instructions in the Nuance installation guide.

All BB Complete cartridges will be suitable to be used with a C90 standard mastic gun.

Packaging

Individually packed in single-flute, oyster coloured cardboard cartons with end protective crush zones.

Example layouts – bills of material

Designs are basic layouts – designers can create many more layouts with the system. Training is available.

L-shape corner shower layout 1200mm x 1200mm x 2400mm high

- 2420x1200x11mm postformed panel x 2
- BB Complete panel adhesive x 2
- BB Complete colour matched sealant x 1

U-shape wet room layout (or walk in shower with tray) 1200mm x 2400mm x 1200mm x 2400mm high

- 2420x1200x11mm postformed panel x 2
- 2420x1200x11mm T&G panel x 2
- BB Complete panel adhesive x 4
- BB Complete colour matched sealant x 1

U-shape bath layout 1200mm x 1800mm x 1200mm x 2400mm high

- 2420x1200x11mm postformed panel x 2
- 2420x1200x11mm T&G panel x 1
- 2420x600x11mm T&G panel x 1
- BB Complete panel adhesive x 4
- BB Complete colour matched sealant x 1

Free standing floor to ceiling sink splashback

- 2420x 580x11mm feature panel x 1
- BB Complete colour matched sealant x 1 (use also to bond in this instance)

Guarantee

BB Complete adhesive must be used to validate the Nuance 15 year guarantee.

Bushboard Nuance bathroom panels are guaranteed for 15 years. Bushboard will make good by repair and/or replacement (at its discretion) any Nuance bathroom panels of its manufacture which can be shown to have failed by reason of defects in this manufacture, subject to wear and tear, provided the product has been installed and used in accordance with the manufacturer's instructions and that the products are used for their intended purpose. Proof of date and place of purchase required.
